

# YOUR PARTNER FOR A HEALTHY HEALTHCARE INSTITUTION

With changes in healthcare policy and insurance reimbursement, healthcare institutions are understandably concerned about where their revenue will come from. American Express can help you streamline your payment process, improve productivity and manage your working capital.

Is your Accounts Payable automated and delivering the efficiencies it can?

**50%**  
According to AFP, 50% of invoices in the U.S. were still processed manually in 2013.<sup>1</sup>

Are new regulations impacting your cash flow flexibility?

**ICD-10**  
ICD-10 and other reforms may cause changes in reimbursement.

Are you buried under paper checks?

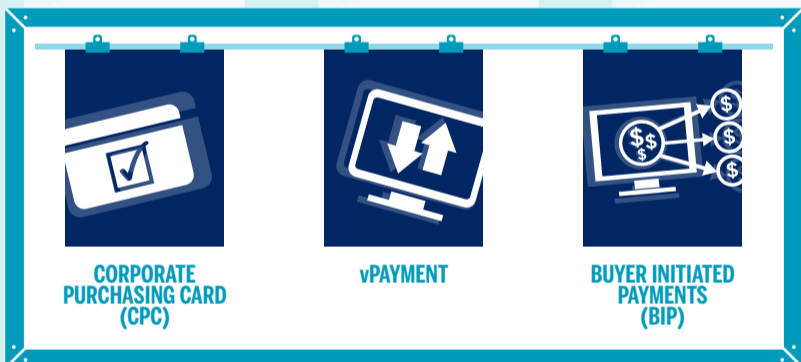

**1 in 5**  
According to AFP, only 1 in 5 organizations are making the majority of their payments via e-payment in 2013.<sup>1</sup>

<sup>2</sup> The number of days by which your DPO is extended will depend on when during your American Express Card billing cycle you charge a transaction to a supplier. The date the transaction is posted to your account, and the date you pay the amounts due on your American Express billing statement will determine the number of days you extend which may be less than 14 days.
